

Buxmont Pulmonary and Sleep Medicine

WELCOME TO OUR PRACTICE

In order to assure that we have as much information as possible at the time of your office appointment, please obtain the following ahead of time to bring with you:

1. Bring any available prior Chest X-rays or CAT Scans of the chest needed to evaluate your problem. Also bring a copy of the radiologist's report.
2. Bring either your medications or a complete list of what you are taking, including the strength or how it is taken.
3. Bring complete insurance information, including your insurance cards. Call your primary doctor if you have an HMO/Managed Care plan such as Aetna, Keystone or Keystone First Plans, etc for a referral. Make sure your referral includes the visit and PFT's.
4. If you had a recent breathing test at your referring doctor's office, please bring a copy of the results with you.
5. We encourage you to download, complete, and bring forms with you to the office.
6. We will call you a day or two prior to your visit to confirm your visit. If you cannot keep this appointment, please notify us as soon as possible to reschedule.
7. Parking: Located in front and side of the building.

If you have any questions regarding the above, please contact our office. We believe the above will help you receive the most benefit from your initial visit to our office. Thank you for your assistance. We look forward to meeting you!
